## Application for Community Involvement Scholarship

Ss. Peter and Paul Catholic School has a tradition of promoting community involvement and giving to others. The School and Church strongly believe that the “the Attitude of Gratitude Leads to a Culture of Giving.” Last year, the School ranked 4th out of 49 elementary and high schools for the highest amount of funds raised for missions. The School is active with other projects as well, such as the Thanksgiving Food Drive benefitting the St. Vincent de Paul Society and the Catholic Charities Guardian Angel Food Pantry and Mobile Food Unit. The School and Church believe that it is important to teach the importance of community involvement and giving at an early stage in life so that it is incorporated into the schedules of all members of society.

In recognition of this culture and through the generosity of an anonymous donor, Ss. Peter and Paul Catholic School is sponsoring a Community Involvement Scholarship which will grant the awardee a \$500 scholarship towards tuition. Eligible applicants are incoming fifth through eighth grade students who can document 25 hours of community service. The awardee must complete an essay describing his/her community involvement and why it is important to them personally and the world. In addition, to further promote the culture of giving that the School values so highly, the awardee must be willing to share his/her essay with fellow students at Ss. Peter and Paul School.

Scholarship applicants must:

- Be entering into 5th, 6th, 7th, or 8th grade at Ss. Peter and Paul School.
- Attach a 300 word (or less) essay describing their community involvement and why it is important to them personally and the world.
