

Ss. Peter and Paul School

Application for the Katherine Heintz Kruegel Memorial Scholarship

Katherine Heintz Kruegel was a dedicated mother, wife and valued member of Ss. Peter and Paul Church. Her great grandfather, Henry Weaver, previously owned part of the land where the school sits today. Katherine was the youngest of eight children, all of whom attended and graduated from Ss. Peter and Paul School. In turn, she and her loving husband of 56 years, Jack K. Kruegel, sent all four of their children to Ss. Peter and Paul School. The couple were previously married in Ss. Peter and Paul Church in 1949.

Above all, church service and effort in school were most important to Katherine. For this reason, and to promote the high value she held on a Catholic education, Katherine’s daughters are generously donating a \$500 scholarship towards tuition for a student of Ss. Peter and Paul Catholic School. Eligible applicants are incoming Ss. Peter and Paul School students, Grades 4 through 8. Applicants must complete an essay describing their past service to the church, what such church service means to him/her, and how it has impacted and will continue to impact their life. In addition, the awardee must be willing to share his/her essay with fellow students at Ss. Peter and Paul School. Applicants must also establish they are committed to providing strong effort in school. This will be accomplished either through the individual scores for “Effort” on their most recent report card or, if “Effort” is not independently evaluated, through a letter of recommendation from one of the student’s teachers which clearly establishes the applicant’s commitment to “Effort” in school.

Scholarship applicants must:

- Be entering into Grades 4 through 8 at Ss. Peter and Paul School.
- Attach a 200-word essay describing their past church service, what such church service means to him/her, and how it has impacted and will continue to impact his/her daily life.
- Provide a copy of the applicant’s most recent report card if such report card evaluates “Effort” in school and, if not, a letter of recommendation as described above.
